

Mr. Joseph Pettah.—This Council recommends to the Government that at least fifteen per cent of the amount sanctioned for medical uplift in honour of the visit of their Excellencies, the Earl and Countess of Willingdon, be allotted towards the development of the Ayurvedic system of medicine in the State.

Mr. P. Kumaran Ezhuthassan.—Sir, since the distribution has already been made I do not move either resolution No. 23 or 25.

Hence the following resolution was considered withdrawn.

Mr. P. Kumaran Ezhuthassan.—This Council recommends to the Government that 50 per cent of the amount of one lakh of rupees sanctioned by His Highness for rural relief be set apart for opening Veterinary Dispensaries in important agricultural centres.

Mr. Joseph Pettah.—I don't move that also.

Hence the following resolution was considered withdrawn.

Mr. Joseph Pettah.—This Council recommends to the Government that steps to be taken immediately to reduce the cost of Primary Education in the State, in regard to books and stationery.

As the following resolution was not moved it was also considered withdrawn.

Mr. P. Kumaran Ezhuthassan.—This Council recommends to the Government that one half of the amount of one lakh of rupees sanctioned by His Highness for rural relief be utilised for improving the Panchayat Vaidyasalas by giving them a greater supply of medicines.

Mr. P. Kumaran Ezhuthassan.—I don't move it.

Hence the following resolution was considered withdrawn.

Mr. P. Kumaran Ezhuthassan.—This Council recommends to the Government that the travelling allowance that was being allowed to process servers attached to judicial courts but stopped from 1908 be revived at once.

Reprint of back volumes of Law Reports.

Mr. P. Kumaran Ezhuthassan.—Sir, with regard to that resolution I should like to know whether the Government can favourably consider the point raised in this resolution. Formerly there was a request like this. The work was begun, but it is not yet completed. The idea is only to have them completed, as soon as possible.

Rama Varmha Tampuran.—Some are already printed.

Mr. P. Kumaran Ezhuthassan.—But there are yet others.

Mr. Thomas Manjuran.—Sir a request was made by the non-official Members of the Standing Finance Committee about the printing of the Regulations. Some of the special regulations

have been already collected and printed. As regards the other regulations arrangements are being made.

President.—Now we are on resolution No. 27. You are speaking on resolution No. 28.

Mr. Thomas Manjuran.—Sir, I am coming to that. Both resolutions are more or less connected and this will be a reply to that also. With regard to the regulations we have already taken the work in hand. With regard to the Law Reports also the Government will take very early steps to see that the Law Reports are available. With regard to these matters some time is indispensable. The work will be expedited and finished as soon as possible.

Mr. P. Kumaran Ezhuthassan.—Sir, with such an assurance, I don't move the last two resolutions.

Hence the following two resolutions were considered withdrawn.

Mr. P. Kumaran Ezhuthassan.—*This Council recommends to the Government that all the back volumes of the Cochin Law Reports be made available at the Government Press.*

Mr. P. Kumaran Ezhuthassan.—*This Council recommends to the Government that all the enactments and Regulations now in force in Cochin be printed in portable volumes and be made available at the Government Press.*
